Board of Land and Natural Resources
State of Hawaii
Honolulu, Hawaii

Approval for the Award of Contract IFB 09-004-06, Mooring Buoys and Mooring Hardware

Scope of Work:

Line item #1 is composed of the three Jim Buoy® preapproved components. The vendor may offer alternates to the preapproved components provided that it can work with the existing system and is equal to or better than the three preapproved components.

Line item #2 is composed of domestically manufactured galvanized mooring components. The Vendor shall submit the manufacturer's technical specifications for the components for line item #2. The specifications shall include information on the galvanizing, sizes of the components, the rated capacity and a certification that the components were domestically manufactured.

Bids for the subject project were received and opened on July 8, 2009. The results and recommendations are as follows:

	Bidder	Bid
Line Item #1	Pacific Ocean Producers	17,959.78
	CWR Hawaii	No Bid
	Construction Materials	No Bid
Line Item #2	CWR Hawaii	20,083.52
	Pacific Ocean Producers	24,394.49
	Construction Materials	34,937.69

The State solicited proposals for buoys and hardware for the mooring of vessels at the Oahu Small Boat Harbors

RECOMMENDATION:

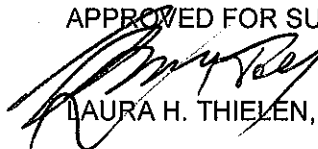

The Board submittal dated July 22, 2009 incorrectly stated the low bidders for line items 1 and 2. The purpose of this submittal is to properly state the correct low bidders. This submittal also recommends that the Board authorize the Chairperson to sign the necessary documents to furnish the mooring materials and that the Board authorizes the Chairperson, subject to review and approval by the Attorney General, to enter into supplemental contracts to address unforeseen conditions and sign the necessary documents to implement the additional work with the contractor.

Respectfully submitted,

EDWARD R. UNDERWOOD
Administrator

APPROVED FOR SUBMITTAL:
